ARTICLE 1: GENERAL PROVISIONS

1.1 TITLE

This Ordinance shall be known and may be cited as the "The Animal Control Ordinance of the Town of Edgewood" and shall be referred to elsewhere herein as "this Ordinance."

1.2 AUTHORITY

This Ordinance is created pursuant to the enabling authority set forth in NMSA (1978), section 3-18-3; NMSA (1978), and 77-1-1et seq.

1.3 PURPOSE

It is the intent of the Council that enactment of this Ordinance will:

1. Protect residents from immediate threat to health or safety;
2. Regulate, restrain, and prohibit the running at large of any animal within the boundary of the municipality;
3. Provide for the impounding and disposition of animals found running at large;
4. Prohibit cruelty to animals; and
5. Promote a rural and animal-friendly character within the municipality.

1.4 SEVERABILITY OF PROVISIONS

If any section, subsection, sentence, clause, or phrase of this Ordinance is for any reason held to be unconstitutional or invalid, such decision shall not affect the validity of the remaining portions of this Ordinance, it being the intent of the Council to enact each section, subsection, sentence, clause, or phrase of this Ordinance separately and independently of each other section, subsection, sentence, clause, or phrase.

1.5 AMENDMENTS

The Council may amend or modify this Ordinance in accordance with State Statutes, and following a public hearing, due notice of which shall be given by the Town.

ARTICLE 2: DEFINITIONS

2.1 WORD FORMS

Unless a contrary intention clearly appears, words used in the present tense include the future tense, and words used in the future tense include the present tense; the singular includes the plural, and the plural includes the singular; the word "may" is permissive, and the words "shall", "will", and "must" are mandatory, subject to specific exceptions allowed by this Ordinance.

ARTICLE 3: ADMINISTRATION

3.1 RULES AND PROCEDURES

Reasonable rules and procedures may be prescribed as needed by the Mayor, or his delegate, in order to carry out the intent and purposes of this Section, and in accordance with the provisions of this Ordinance.

3.2 PROCEDURES FOR COMPLAINTS

A person who has personal knowledge of a violation of this chapter and who can identify the owner of the animal involved or the premises where the animal is located may file a complaint alleging any violation of this chapter with the Animal Control Department. The Animal Control Department may require the complainant to provide his name and address and swear to and affirm the complaint.

3.3 PROCEDURES FOR ANIMAL CONTROL OFFICER

The Animal Control Officer shall have the authority, and is directed to investigate, upon reasonable cause including complaints, any alleged violation of this chapter.

1. Whenever the Animal Control Officer has probable cause to believe that a person has violated this ordinance, the Animal Control Officer may prepare a citation provided by the Town of Edgewood giving written notice to appear in

court. The citation shall contain:

- a. The name, address and telephone number, if known, of the person violating this ordinance;
 - b. The driver's license number of such violator, if known;
 - c. The code section allegedly violated;
 - d. The date when the person allegedly committed the violation;
 - e. The place where the person allegedly committed the violation;
 - f. The location where the person shall appear in court and the deadline for appearance.
2. The Animal Control Officer shall present the citation to the person he has probable cause to believe violated the code section in order to secure the alleged violator's written promise to appear in court by having the alleged violator sign at least one copy of the citation.
 3. The Animal Control Officer shall deliver a copy of the citation to the person promising to appear.
 4. If the alleged violator refused to or was unable to give his written promise to appear, or if the violator refused to respond to meet with the Animal Control Officer, the Animal Control Officer may prepare a written complaint (criminal summons) against the alleged violator and file the complaint with the Town of Edgewood Municipal Court or a court of competent jurisdiction.

3.4 SCHEDULE OF FEES & OTHER ASSIGNABLE COSTS

A. PURPOSE

The purpose of this Schedule shall be to defray expenses related to enforcement of this Ordinance.

B. METHOD OF PAYMENT

Payment of any and all fees and other assignable costs shall be made to the Town of Edgewood in a method acceptable to the Town, and become due immediately upon imposition.

C. ADOPTION BY RESOLUTION

This Schedule shall be only as is duly adopted or amended by Resolution of the Council, attached as exhibit "A."

D. FINES FOR VIOLATIONS

Without waiving or precluding any other remedies allowed under this Ordinance or State law, any person who violates a provision of this Ordinance, may be deemed guilty of a

petty misdemeanor, unless otherwise provided for by State or Federal law, and upon conviction thereof, may be subject to the penalty provisions set forth in this Ordinance. Each day this Ordinance is violated may be considered a separate offense. Where the defendant has been convicted of a crime constituting a petty misdemeanor, the Judge may sentence the person to be imprisoned in the county jail for a definite term not to exceed ninety (90) days or to the payment of a fine of not more than five hundred dollars (\$500.00) or to both such imprisonment and fine in the discretion of the Judge.

E. SUSPENSIONS, REVOCATIONS OF LICENSES

1. If an Animal Control Officer discovers that a licensed premises and/or animal is in violation of this Ordinance, or receives a complaint about any licensed animal or premises and the Animal Control Officer finds that such complaint is valid, they shall proceed as follows:
 - a. Written notice shall be sent to the owner and posted in a conspicuous location on the subject premises. The notice shall identify the violations and the particular ordinance, statute, rule, or regulation involved and the action needed to correct the violation. The owner or occupant shall have five (5) business days to correct the violations, or contact the Animal Control Department. If the nature of the violation is such that it cannot be cured within the five (5) day deadline, an action plan may be entered into by the owner or occupant and the Animal Control Department, conditionally, that the owner or occupant contacts the Animal Control Department as required herein. The Animal Control Department shall follow up on any action plan every two (2) weeks until the violations have been corrected. Providing that the owner or occupant is actively pursuing the correction of the violation, the Animal Control Department may, in its sole discretion, extend the action plan.
 - b. In the event the owner or occupant fails to take the required corrective action or contact the Animal Control Department as required herein, or complete the action plan, the license issued to the owner or occupant shall be suspended or revoked at the discretion of the Animal Control Department. The suspension or revocation of a license as set forth herein shall not prevent the Animal Control Department from pursuing any other remedies under this Ordinance or allowed by law.
 - c. The foregoing shall not prevent and/or diminish the ability of an Animal Control Officer from seizing and impounding an animal as set forth in this Ordinance or take any other action to prevent imminent injury to any person or animal, or damage to property.

2. APPEAL

A person whose application for a Classification 1 license or license renewal has been approved on condition or denied, and a license holder whose license has been suspended or revoked, may submit to the Chief of Police a written request for a

hearing, provided that the written request is received at Edgewood Police Department within 15 days of the applicant's receipt of the written notice of suspension, revocation, denial or conditional approval. The hearing shall be conducted at a time and place designated by the Chief of Police. Any person aggrieved by the decision of the Chief of Police may, within 15 days of the date of the Chief's decision, appeal that decision to the Town Clerk for a review by the Governing Body. Appeals of decisions for Classification 2 licenses shall be governed by the Zoning Ordinance.

3.5 ANIMAL CONTROL OFFICER(S)

A. DEPUTIZED

Any Animal Control Officer, whether an employee of the Town of Edgewood or a contracted agent, shall be a deputy of the Town, and shall be responsible for enforcement of the provisions of this Ordinance of The Town of Edgewood and Statutes of the state of New Mexico as applicable.

B. IDENTIFICATION

An Animal Control Officer shall wear a uniform and shall carry official identification. Official identification shall be issued by the Town Clerk and must be surrendered to the Town Clerk upon cessation of either employment or contract with the Town.

3.6 INSPECTION, SEIZURE, & IMPOUNDMENT

A. ENTRY TO PRIVATE PREMISES

1. Any Animal Control Officer shall be authorized to enter upon any private premises with the consent of the owner/occupant or as otherwise provided for by law, for the purpose of making inspections to determine compliance with this ordinance, impounding animals as authorized by this ordinance, or examining records pertinent to the origin and care of any animals located at, or emanating from, any permitted premises.
2. Except in cases of imminent danger to either the public or animal(s), the Animal Control Officer shall make reasonable efforts to obtain the permission of the property owner/occupant. If the Animal Control Officer is unable to obtain the permission of the owner/occupant, the Animal Control Officer may seek a court order or warrant to enter a premises as provided by law for the purpose of making inspections to determine compliance with this Ordinance and impound animals as authorized by the Town.
3. In cases where entry is mandated by either court order or warrant, the order or warrant must be executed in the company of an authorized law enforcement officer of the Town, County, or State.

B. SEIZURE OF DANGEROUS AND POTENTIALLY DANGEROUS ANIMALS
PETITION TO COURT

1. Following notice to the owner, when an Animal Control Officer has reasonable suspicion to believe that an animal is dangerous or potentially dangerous, and poses an imminent threat to public safety, the Animal Control Department shall operate under the guidelines set forth in Section 3.6.C.
2. The Animal Control Department shall impound the animal pending disposition of the case or until the owner has fulfilled the requirements for a certificate of registration pursuant to the provisions of Section 4.2.
3. After seizure, the owner may:
 - a. Admit that the animal is dangerous or potentially dangerous and comply with the requirements for a certificate of registration pursuant to Section 4.2 of the Licensing and Permit Fees; or
 - b. The Animal Control Department may, within fourteen days after seizure of the animal, bring a petition to a court of competent jurisdiction seeking a determination of whether the animal is dangerous or potentially dangerous:
 - i. If the court finds, by clear and convincing evidence, that the animal is dangerous and poses an imminent threat to public safety or potentially dangerous and poses a threat to public safety, the court shall order the owner to comply with the registration and handling requirements for the animal and obtain a certificate of registration within thirty days or have the animal humanely destroyed. A determination that an animal is not dangerous or potentially dangerous shall not prevent an animal control authority from making a subsequent application for seizure based on the animal's subsequent behavior.

C. IMPOUNDMENT OF ANIMALS

1. Any Animal Control Officer shall be authorized to impound if necessary, if or when:
 - a. Any animal in plain view on its own private premises whose action(s) threatens imminent death or serious injury to any person or to another animal within the same premises;
 - b. Any animal in plain view on its own private premises whose condition threatens imminent death or serious injury to the animal itself;
 - c. Any animal determined to be running at large;
 - d. Any animal when a petition is made and so ordered by a court of competent jurisdiction; or

- e. At owner's request or owner's consent (owner relates to the owner of the animal in question only).

2. Impoundment Procedures:

- a. Impoundment shall be for a period of no less than seventy-two (72) hours or until initial arraignment is made by a court of competent jurisdiction;
- b. The animal will be returned to the owner after proper and secure containment is completed and an onsite inspection is completed;
- c. Mandatory Impoundment is required for animals escaping a property and biting or menacing a person; and
- d. Onsite impoundment may be determined as appropriate when proper and secure enclosure is available.

D. DEAD ANIMALS

1. In order to help safeguard the public safety and health, any Animal Control Officer shall be authorized to pick-up and dispose of any dead dog, cat, or unprotected animal lying in any public right-of-way, or in any private access easement which is dedicated for public use. The Animal Control Officer shall make a reasonable attempt to notify the Owner of any dead dog or cat prior to disposal.
2. At the discretion of the Animal Control Officer, the Town may pick-up and dispose of any dead and privately owned Companion Animal, Domestic Animal, Livestock, or other animal at the request of the Owner, provided the owner pays the full costs of any such pick-up and disposal.
3. Disposal shall be accomplished in such a manner as to minimize vermin infestation, odors, and disease.
4. Potentially rabid animals shall be handled in a manner consistent with State law and the requirements of this Ordinance.

E. COMPLIANCE

The officer may move to dismiss any citations, criminal summons, or fees provided the owner complies with an agreement entered into with the officer as to the action required to correct the problem.

F. PERSONAL LIABILITY

There shall be no personal liability on the part of any Animal Control Officer in the lawful execution of his/her assigned duties, except as provided by State or Federal Law.

3.7 ANIMAL WELFARE FACILITIES

A. GENERAL

The Town shall provide for sufficient facilities to be used for the purpose of humanely boarding and caring for animals impounded under the provisions of this Ordinance. Such a facility shall meet the requirements established in this Section.

B. ANIMAL HOUSING FACILITIES

1. Animal housing facilities shall be structurally sound, constructed of non-toxic materials, and weatherproof. Interior floors shall be of smooth, easily cleanable construction, and impervious to water. The premises shall be kept clean, sanitary, and in good repair in order to protect animals from disease and/or injury.
2. Animal housing facilities shall be provided with proper ventilation, temperature control, shade, and lighting necessary for the health and safety of animals according to each species' needs.
3. Specific housing and other facility requirements will be established by Animal Control for the different kinds of animals that will housed there. The requirements will be made available in writing and without charge upon request.
4. Provisions shall be made by a responsible person in charge of any impounded animal for the removal and proper disposal of any animal and/or food waste, soiled bedding, dead animals, and miscellaneous debris. Disposal shall be accomplished in such a manner as to minimize vermin infestation, odors, and disease.
5. Each animal shall be observed two times a day. A daily log and/or record shall be completed by the appropriate Town employee confirming the date and time each animal was observed.

3.8 RECORD KEEPING

A. REQUIREMENT

Upon impounding or receiving any animal, the Animal Control Officer shall record data required by this Section into a registry to be kept for such a purpose.

B. DATA

Data required to be kept includes:

1. The date, time, location, reason for impoundment, and manner of the animal's acquisition;
2. The species, breed, color, and sex of the animal;
3. The animal's name, and the owner's name, address, and phone number, if known;

4. Verification of notification and reasonable attempts at notification to the known owner of animals impounded with identification;
5. The animal's Town license number if any, rabies tag number and microchip number, if available;
6. The date, time, and manner of the animal's disposition, as prescribed by this Ordinance;
7. The name, address, and phone number of the person redeeming the animal, if applicable; and
8. Any and all fees and fines received.

C. DURATION

Recorded data required by this Ordinance shall be kept and maintained as per the New Mexico Administrative Code, Local Government Records Retention and Disposition Schedule, Title 1, Chapter 19.

3.9 DISPOSITION OF IMPOUNDED ANIMALS

A. NOTICE

If the owner of an impounded animal is known, the Animal Control Officer shall make a reasonable effort to notify the owner immediately. If the owner of the animal is not known, a notice of the impoundment shall be posted in a conspicuous place at the office of the Animal Control Officer and at the Town office.

B. DURATION

1. All stray impounded animals without identification shall be held for a minimum of four (4) working days; and notice of impoundment posted.
2. All stray animals with identification shall be held a minimum of seven (7) working days and notice of impoundment posted.
3. All quarantined animals shall be held and observed for a period of ten (10) consecutive days from the date of the bite or seizure.
4. All owner-surrendered animals become the property of the Town of Edgewood at the time of surrender.
5. All animals placed under protective custody shall be held a minimum of fifteen (15) consecutive days.
6. In computing any period of time under this section, the day that the animal is
7. impounded shall not be included. The last day of impoundment shall be included, unless it is a Saturday, Sunday, Holiday, or when the shelter is unexpectedly closed, in which case the period of time continues until the end of the next day which is not one of these days.

C. LIMITED RIGHT OF REDEMPTION / RECLAMATION BY OWNER

In conformance with any and all other requirements of this Ordinance and except for

animals held on complaint, for quarantine, in protective custody, or impounded under similar circumstance, an owner or custodial person of any impounded animal shall have a limited right to redeem/reclaim the animal within the required holding period conditional on compliance with this paragraph and all other applicable provisions of this Ordinance. To reclaim an animal, the owner/custodial person shall sign a statement of ownership/responsibility and comply with all other provisions of this Ordinance prior to redeeming/reclaiming any animal.

D. PAYMENT OF FEES AND OTHER ASSIGNABLE COSTS

In all cases, the limited right to redeem may only be exercised by the owner/custodial person upon payment to the Town of any license fees due, microchip fee, impounding fees, boarding charges, veterinary charges, and other costs incurred by the Town in the care and maintenance of said animal, or as designated in the Schedule of Fees and other Assignable Costs.

E. COMPANION ANIMALS

In conformance with NMSA (1978), Section 77-1-20, and in addition to any other requirements of this Ordinance, for the redemption/reclaiming of any un-sterilized Companion Animal the owner/custodial person shall:

1. Pay a sterilization deposit of not less than \$25.00 and sign an agreement to have the animal sterilized by the age of 6 (six) months or within 30 (thirty) days, whichever is longer; or
2. Obtain an, Intact Permit, from the Town in conformance with the requirements of this Ordinance, if there are no prior impoundments for the animal being redeemed.

F. DISPOSITION OF STERILIZATION DEPOSIT

A sterilization deposit shall be reimbursed to the owner only upon delivery of a valid receipt from a veterinarian proving that the specified animal was sterilized within the required time period.

G. ANIMALS HELD ON COURT ORDER

In all instances where an animal is impounded and a court order related to a violation of this Ordinance has been filed in a Court of competent jurisdiction against the owner of the animal, the animal shall not be released except upon order of the Court. The Court may direct the animal owner to pay any penalties or fines for violation of this Ordinance in addition to penalties resulting from other charges.

H. NON-REDEEMED ANIMALS

Any animal not redeemed/reclaimed within the required holding period shall become the

property of the Town. Animals, which have thereby become the property of the Town may be:

1. Placed for adoption in conformance with the requirements of this Section; or
2. Transferred to the ownership of any animal shelter or certified rescue group, or euthanized in a humane manner.

I. ADOPTION

An impounded animal shall not be released for adoption until:

1. The required holding period for redemption/reclaiming has passed;
2. The animal has been deemed adoptable; and
3. The prospective adopter has paid any required adoption fee to the Town as noted in the Schedule of Fees and other Assignable Costs.

J. ADOPTION OF COMPANION ANIMALS

In conformance with NMSA (1978) Section 77-1-20, and in addition to any other requirements of this Ordinance, for the adoption of any un-sterilized dog or cat, the adopter shall pay a sterilization deposit as established in the fee schedule, and sign an agreement to have the animal sterilized by the age of 6 (six) months or within 30 (thirty) days, whichever is longer.

K. DISPOSITION OF STERILIZATION DEPOSIT

Any required sterilization deposit shall be reimbursed to the adopter only upon presentation by the adopter of a valid receipt from a veterinarian proving that the animal was sterilized within the required time period.

L. PENALTY FOR VIOLATING STERILIZATION REQUIREMENTS

Any violation of the sterilization requirements set forth in this Ordinance shall be subject to the penalties outlined in Section 3.4(D) of this Ordinance.

M. EUTHANASIA

Any impounded animal may be euthanized by the Animal Control Officer, or by such other persons as may be contracted with by the Town to perform such euthanasia:

1. After the required holding period for redemption/reclaiming has passed; or
2. For humane reasons to prevent suffering, or
3. If the owner admits that the animal is dangerous or potentially dangerous and transfers ownership of the animal to the Animal Control Department, or
4. If the court finds, by clear and convincing evidence, that an animal is dangerous or potentially dangerous and poses an imminent threat to public safety and

orders humane destruction of the animal consistent with the provisions of Section 4.8.B.2.

N. PERMANENT IDENTIFICATION

1. Owner must purchase a microchip, from the town in conformance with the requirements of this Ordinance, implanted in the animals by injection prior to the animals being redeemed; unless already permanently identified.
2. No reclaimed dog or cat shall be allowed to leave any animal shelter including Edgewood Animal Welfare Facility without being micro-chipped.
3. Boarding kennels are not responsible for micro-chipping.

3.10 VERTEBRATE PEST CONTROL

A. The Animal Control Department recognizes the need for vertebrate pest control for the protection of human health and safety and for the protection of private and public property with the Town of Edgewood. This work may be performed by private citizens on the land that they own or lease, and by federal, state, or local government employees. All persons shall work in compliance with all applicable federal, state, county, and local laws, regulations, and ordinances. It is recognized that various levels of protection exist for animal species and that this section will not attempt to override or lessen those protections. This section will work within those laws afforded for animals. The Animal Control Officers have the authority to approve or disapprove of methods used to perform vertebrate pest control that are not otherwise specified in this section or are otherwise regulated by New Mexico State law. Without limiting or otherwise affecting the foregoing, the following shall also apply to vertebrate pest control

1. All domestic cats or dogs inadvertently caught by or in an invertebrate pest control device will be turned over to the Town Animal Control Officer. Animal Control Officers or the resident where the live trap is placed may remove any animals caught in the trap.
2. Traps are to be checked every twenty-four (24) hours.
3. Issued live traps. The Animal Control Officer can be contacted for issuance of live traps for a resident's temporary use. It is not a violation of this section or any other section of this chapter for a resident to own traps as long as they meet the requirements specified in this section.
4. Pesticide use shall be permitted if the product used is an E.P.A. registered pesticide and is used in accordance with special use restrictions for the control of vertebrate pests and is otherwise in compliance with federal, state, county, and local laws, rules, regulations, and ordinances.

B. OWNER'S LIABILITY

Nothing in this Section shall be construed as allowing any animal under physical restraint to commit an act deemed unlawful in this Ordinance. The Owner shall be liable for any

such acts by an animal under physical restraint.

ARTICLE 4: OWNER'S DUTIES

4.1 RABIES CONTROL

A. VACCINATION REQUIRED

Companion Animals and ferrets over three (3) months of age shall be vaccinated against rabies by a veterinarian at the owner's expense no less frequently than is required by State law.

B. VACCINATION TAG & CERTIFICATE

1. Owners of any animal vaccinated for rabies shall obtain from the veterinarian performing such procedure a unique-numbered vaccination certificate and tag. The certificate shall contain at a minimum:
 - a. The name and address of the owner;
 - b. A description of the animal;
 - c. A description of the type of vaccine used;
 - d. The date of vaccination; and
 - e. The expiration date of immunity provided by the vaccination.
2. The certificate shall be surrendered for verification or examination upon demand of the Animal Control Officer or any other person charged by the Town with enforcement of this Ordinance. The tag shall bear the certificate number and the year of vaccination, and shall be worn attached to a collar or harness at all times, exceptions being cats, working animals, show dogs, animals being kept in a veterinary hospital or others performing in agility, herding tracking, coursing or hunting capacity. Owners shall be responsible for replacing lost tags. Tags and certificates are non-transferable. Animals without valid and current tags and certificates shall be subject to fines as designated in the Schedule of Fees and other Assignable Costs. Veterinarians within the Township of Edgewood shall surrender for verification; copies of the unique-numbered vaccination certificates upon demand of an Animal Control Officer for any other person charged by the Town with enforcement of this Ordinance.

C. SUSPECTED RABIES

Any veterinarian who makes a clinical diagnosis of rabies and any person who suspects rabies in any Animal, including Companion Animals, Domestic Animals, or Wild Animals, shall immediately report the same to the appropriate State health agency providing information about where and when such animal was seen and, if possible, where it may be found.

D. EXPOSURE TO RABIES/BITING

To ensure protection of the public health and welfare and control the spread of the rabies virus:

1. Any person with knowledge that an animal has bitten a person shall immediately report the incident to the Animal Control Department and the appropriate State health agency.
2. Any physician or other health care professional that treats a person for an animal bite shall report such treatment to the appropriate State health agency within twenty-four (24) hours of such treatment.
3. The report must specify the name and home address of the person bitten, and the precise location of the bite on the person.

E. ANIMAL DESTRUCTION OR QUARANTINE

1. Any dog, cat, or other animal determined by the State as requiring the rabies vaccination, and which has bitten or otherwise exposed a person or another animal to the rabies virus shall be:
 - a. Quarantined by confining it immediately and observing it in confinement for a period of ten (10) days from the date of the bite, at the owner's expense at a place and in a manner designated by the Animal Control Officer and approved by the appropriate State health agency. Upon the conclusion of observation period, the animal shall be:
 - i. Released in accordance with all other applicable provisions of this Ordinance if the animal does not show signs of infection with the rabies virus; or
 - ii. Destroyed and its head sent to an appropriate laboratory for rabies testing if the animal shows signs of infection with the rabies virus; or If the animal shows signs of infection during the required period of confinement and observation, the animal shall also be destroyed and its head sent to an appropriate laboratory for rabies testing.
2. If the animal is proven to the Animal Control Officer to have a valid current vaccination for rabies, and if the area involved is not under quarantine for rabies, then the Animal Control Officer may allow quarantine of the animal at the owner's home after its inspection and approval by the Officer for suitability as a location for quarantine. If the animal shows signs of rabies during the required period of confinement and observation, the animal shall be destroyed and its head sent to an appropriate laboratory for rabies testing.
3. No person may remove or release an animal from a required quarantine location, during the observation period without the written consent of the Animal Control Officer.

4. No person may frustrate the quarantine of an animal during the observation period without the written consent of the Animal Control Officer, including allowing other animals into the quarantine location.

F. DEAD SUSPECTED RABID ANIMALS

Pick-up and disposal of rabid animals or animals suspected of infection with the rabies virus shall be handled by the Animal Control Department in a manner consistent with State law.

4.2 LICENSING

PERMITS AND LICENSES ISSUED BY ANIMAL CONTROL

A. CLASSIFICATION 1:

1. INDIVIDUAL LICENSE

An Individual License shall be required for any Companion Animal age three (3) months or older residing within the Town of Edgewood. The license will be valid for either one (1) year or three (3) years. A current rabies vaccination shall also be required, and will determine the length of validity of the license. Lifetime licenses will be available without cost to service animals.

2. INTACT ANIMAL LICENSE

An Intact Animal License is required to keep a dog or cat exempt from being sterilized as mandated by State Law when released from an animal shelter. The animal must be registered with a nationally or internationally recognized animal registry organization. No person shall breed or allow to be bred a dog or cat for which an Intact Animal License has been issued unless accompanied by a Hobby Breeder Permit.

3. LITTER LICENSE

The owner who intentionally or unintentionally breeds dogs or cats and does not have a current Hobby Breeder License shall purchase a Litter License for each litter. The Litter License fee may be refunded at the time proof of sterilization of the female animal is submitted and verified by the Animal Control Officer no later than two (2) months from the time the female dog or cat delivers a litter.

- a. Owners of an intact female must obtain a Litter License within one (1) week after the birth of a litter.

- b. No person shall apply for or obtain more than one Litter License per household in any consecutive twelve (12) month period.
- c. A fee is required for each animal as defined in the fee schedule.
- d. A fee shall be returned upon proof of sterility of animal.
- e. A Litter License is required to advertise any animal under the age of (one) 1 year for sale, gift, barter, exchange, or give away in any local periodical or newspaper of general circulation. The Litter License number must be included in any advertisement of a member of the litter.
- f. An owner shall not advertise, sell, barter, exchange or give away any puppy or kitten, under one (1) year of age within municipal boundaries unless the Litter License or Hobby Breeder License has been purchased.
- g. Litter Licenses expire two (2) months from the date of issue.
- h. Edgewood Animal Control Department may waive the Litter License fee for rescue groups and animal foster caregivers.
- i. Puppies and kittens can only be sold, given as a gift, or transferred or conveyed in any other manner from the location listed on the Litter License. Puppies or kittens sold on public property or commercial property, even with the owner's permission, are in violation of this Ordinance and the puppies and kittens may be seized.
- j. Puppies and kittens shall not be released from the Licensed Premises prior to eight weeks of age.
- k. An owner shall furnish the Litter License number to any prospective recipient requesting the number.

4. HOBBY BREEDER LICENSE

A Hobby Breeder License will be required for controlled breeding of dogs or cats, instead of an individual Litter License. The Hobby Breeder License number must appear in all advertisements regarding the sale of any litter.

5. GUARD DOG LICENSE

A dog that is acquired by any individual for the purposes of protecting/guarding a business or a premises used for commercial purposes shall obtain a license from the Animal Control Department. In addition to any other licensing requirements set forth herein, any premises or business where a guard dog is present shall have a sign placed in a conspicuous location stating that guard dogs are present on the premises. Any dog partially used for protection in a residence, shall not be required to be licensed as a guard dog.

C. Chief of Police 2:

Classification 2 Licenses require compliance with the Town's Zoning Ordinance requirements for conditional uses.

1. MULTIPLE ANIMAL LICENSE

Any person intending to exceed the combined maximum limit of seven (7) dogs or cats in a household shall obtain a Multiple Animal License.

- a. All dogs and cats at a Multiple Animal Site shall be individually licensed and must be either micro-chipped or otherwise permanently identified. A fostered pregnant dog or cat and her eventual offspring are temporarily exempt from this rule.
- b. No person shall be authorized to keep or maintain more than ten (10) dogs or cats at any Multiple Animal Site, no more than three (3) of which can be un-sterilized, without obtaining the additional written consent and approval of the Animal Control Department.
- c. No permit shall be issued until an inspection by Animal Control has been completed and compliance with this Ordinance is achieved.
- d. A Multiple Animal Permit may be revoked, modified or suspended if a property owner who resides within five hundred (500) feet is reasonably distressed by any effects of the Multiple Animal Site and an appropriate solution could not be reached.
- e. A Multiple Animal License is valid for three (3) years from the date of issue.
- f. Any changes to the Multiple Animal License must be reported to Animal Control.

2. WILD/ EXOTIC ANIMAL LICENSE

- a. No person shall keep or harbor on any private or public property within the municipal boundary of the Town of Edgewood any wild/exotic animal or animal protected by State or Federal Law, unless the person holds a valid Town business license for an animal exhibit or a wild/animal license, as defined in this Ordinance, or has a valid State or Federal permit for protected species.
- b. Prohibited Exotic or Wild Animals. No person shall own, harbor or keep any species in violation of Federal or State laws, including, but not limited to bats and skunks.
- c. New Animal Addition. If the number of exotic or wild animals in a collection increases as a result of the reproduction of members of the collection or if animals in the collection are replaced by animals of the same number and zoological species, an additional license is not required during the license year, provided the Animal Control Department is notified in writing within thirty (30) days of the addition of the new animals.
- d. Health Requirements. Exotic or wild animal owners must submit a health certificate from a veterinarian to the Animal Control Department within fourteen (14) days of acquisition of the animal. The health certificate must certify that the animal is in good health and has been vaccinated

- as appropriate for the species.
- e. Wild Animal License Requirements:
- i. Wild animals shall be kept and cared for in a manner which does not constitute a nuisance or endanger the safety of any person, property, or the animal itself.
 - ii. The holder of a license for wild animal(s) must notify Animal Control in writing within thirty (30) days if the owner changes his/her residence or the location of the exotic or wild animals, or sells or otherwise disposes of any of the animal(s) for which the license was issued.
- f. Impoundment. An Animal Control Officer may impound an exotic or wild animal for an owner's failure to comply with this Ordinance and shall use the impound procedure set out in this Ordinance or, if the wild animal may be a danger to the public, use a procedure which protects the public.
- g. Exclusion. Notwithstanding the above, zoological parks, veterinary hospitals, humane societies, shelters, public laboratories, circuses, sideshows, and educational and scientific facilities are excluded from the provision of this section, provided that the excluded facilities use protective devices adequate to prevent the exotic or wild animals from escaping or injuring the public or the animal itself.
- h. Any person who lawfully holds or keeps a wild or exotic animal as defined by this ordinance prior to the effective date of this ordinance may maintain that individual animal until its death under the following conditions:
- i. Submission of an application for a wild animal license within 60 days of the effective date of this Ordinance and payment of the annual license fee. Must apply for a Conditional Use Permit.
 - ii. Provision of adequate facilities to prevent the animal from escaping, injuring the public, or creating a public nuisance.
 - iii. Compliance with all applicable requirements set forth in this chapter.
 - iv. No additional wild or exotic animals may be added to the premises by acquisition or breeding as of the effective date of this Ordinance.
- i. This section shall not apply to municipal zoos and aquarium facilities, veterinary facilities, or individuals holding a State of New Mexico Wildlife Rehabilitation or Educational Use Permit.
- j. Any Wild Animal kept as part of an Animal Exhibit shall be kept within a Secure Enclosure, or so restrained by other means to prevent the animal from leaving the owner's premises or presenting a danger to the general public.

3. The following uses do not require a license from the Animal Control Department but do require Conditional use permits approved and signed by the Planning and Zoning Administrator and Planning and Zoning Commission Chairman. The following uses will also be subject to annual inspection by an Animal Control Officer and the Planning & Zoning Department of the premises used for keeping animals: boarding kennels, kennels, grooming parlors, pet shops, doggie day cares, or refuge shelters.

4.3 DISPLAY OF LICENSES

A. A VALID LICENSE SHALL BE POSTED IN A CONSPICUOUS PLACE AT EACH LICENSED PREMISES

1. This provision shall apply to all relevant licenses issued pursuant to this Ordinance, including but not limited Multiple Animal Licenses, Potentially Dangerous Dog License, Wild Animal License, , and Conditional Use Permits.
2. A license holder shall notify the Animal Control Department of any changes in operations which may affect the status of any license issued pursuant to this Ordinance and shall keep the Animal Control Department informed of all changes in name, location, address, and home and business telephone number of the site and activities covered by the license.
3. Both the person in charge of a licensed premises and the owner of the licensed premises shall be responsible for complying with this article.
4. At each licensed premises, a current record shall be kept which describes all animals owned, purchased or received, and the final disposition of each animal.
5. Licenses shall expire one (1) year after the date of issuance of the license. An application for renewal shall be filed at the Animal Control Department thirty (30) days before the date of expiration. The fees and application and inspection procedures for license renewals shall be the same as those for new applications. Failure to renew licenses as specified shall result in the expiration of the license or in the assessment of a five percent (5%) late fee.

B. ACCESS TO PERMITTED PREMISES

Upon presentation of proper identification, and at any reasonable time, the Animal Control Officer shall be allowed to enter any permitted premises for the purpose of making inspections to determine compliance with this Ordinance. The person in charge of the permitted premises shall be allowed to accompany the Animal Control Officer on the inspection. The Animal Control Officer shall prepare a written inspection report which shall state whether or not the permitted premises is in compliance with or in violation of this Ordinance. If the premises is found to be not in compliance, the report shall specify the nature of the noncompliance. A copy of the inspection report shall be furnished to the person in charge.

4.4 NUMBER OF DOGS & CATS ALLOWED

- A. No person or any one household shall own, harbor, maintain or keep more than a combined total of seven (7) dogs and/or cats in any combination thereof over the age of three (3) months without a valid Professional Animal Permit, Hobby Breeder Permit, or Multiple Animal Permit.
- B. A household may have up to seven (7) dogs or cats or any combinations thereof provided that no more than a total of three (3) dogs and cats are intact.
- C. No person or household shall permit or allow the breeding of a dog or cat without a valid Hobby Breeder Permit, Professional Animal Permit, or Litter Permit.

4.5 CARE AND MAINTENANCE

The owner or custodian shall be responsible for the care and maintenance of an animal, including but not limited to companion animals, canine hybrids, cocks, guard dogs, potentially dangerous animals, service animals, and wild animals. An owner or custodian of any animal shall have the following obligations in regard to the care and maintenance of each animal:

- A. Owner or custodian of an animal shall provide the animal with:
 - 1. Food. Animals shall be provided with uncontaminated, edible, nutritious food, which is of adequate quantity as to maintain the normal weight and condition of a healthy animal. Additionally the amount of food administered must properly conform to the individual animal's age and condition. All food containers shall be kept clean; and
 - 2. Water. Animals shall be provided with constant access to a supply of potable water with sufficient amount as to maintain good health as required by the species whether animals are outdoors or indoors except as directed by a veterinarian; and
 - 3. Shelter. Outside housing shall protect animals from weather that may be detrimental to the health of the animal; and
 - 4. Area for Exercise; and
 - 5. Ventilation. Ventilation must be sufficient to provide for the health and safety of the animal and prevent strong odors from forming; and
 - 6. Veterinary Medical Care. Animal owners shall provide regular basic and emergency medical care for all their animals. No person shall keep an animal which is seriously sick or injured without providing proper veterinary care to the animal. The Animal Control Officer may require a letter of health evaluation from a licensed veterinarian describing the condition of the animal; and
 - 7. Cleaning and Grooming. Basic cleaning and grooming shall be provided as necessary for the health and general welfare of the animal. Grooming the coat on most animals is necessary to ensure the coat is not matted to the point that it becomes so heavy as to cause skin irritation or trap fecal matter. The animal shall not be so dirty as to provide a home for parasites and insects; and

8. No animal shall be allowed to have foreign objects imbedded in its skin, fur, or hair, other than a microchip for companion animals.
- B. Any owner of an animal shall provide the animal with access to shade, not to be inclusive of shelter.
- C. No person shall leave an animal in an enclosed vehicle or upon a vehicle for a length of time, which could result in danger to or death of the animal. If an Animal Control Officer determines that an animal in an enclosed vehicle is in immediate danger, the Animal Control Officer may enter the vehicle for the sole purpose of rescuing an animal in danger, by any means necessary and/or legal, without being liable to the owner of the vehicle. The Animal Control Officer may take any animal rescued in this manner into protective custody.

4.6 RESTRAINT OF ANIMALS

A. ANIMALS ON OWNER'S PROPERTY

Any animal not deemed potentially dangerous or dangerous on its owner's property shall be:

1. Placed in a secure run or kennel with access to shade; or
2. Kept within a Secure Enclosure, as defined in this Ordinance, surrounding the owner's premises or a portion thereof; or
3. Kept under the immediate physical control of a person capable of restraining the animal; or
4. Confined through means of a buried electronic barrier/collar system if the dog is properly trained, and the electronic system is functioning properly; or
5. Dogs not within a Secure Enclosure may be restrained by means of a trolley system, only if the following conditions are met:
 - a. Only one dog may be tethered to each cable run; and
 - b. The device must be attached to a pulley on a cable run or trolley; and
 - c. There must be a swivel on a least one end of the tether to minimize tangling of the tether; and
 - d. The tether and cable run must be of adequate size and strength to effectively restrain the dog. The size and weight of the tether must not be excessive, as determined by the Animal Control Officer, considering the age, size and health of the dog; and
 - e. The cable run must be at least ten (10) feet in length and mounted either at ground level or at least four (4) feet above ground level; and
 - f. The tether must be a minimum of ten (10) feet in length which does not allow the animal to move beyond the legal boundary of the property; and
 - g. The device must be affixed to an animal by use of a non-abrasive, comfortably fitted collar or harness; and
 - h. The device must be fastened so that the animal can sit, walk, and lie down

comfortably, and must be unobstructed by objects that may cause the device or animal to become entangled or strangled; and

- i. The animal must have easy access to adequate shade, shelter, food, and potable water; and
- j. The area where the animal is confined must be kept free of garbage and other debris that might endanger the animal's health or safety. Feces shall be cleaned up regularly, but no less frequently than once a week; and
- k. The area where the animal is confined must be kept free of insect infestation, such as ant hills, wasp nests, flea, tick, and maggot infestations.

B. ANIMALS OFF OWNER'S PROPERTY

- 1. Any animal off of its owner's property shall be kept on a leash at all times in compliance with this Ordinance, and under the immediate physical control of a person capable of restraining the animal.
- 2. Animals are prohibited from being placed in the back of any motor vehicle, truck bed or trailer unless such animal is confined and no portion of the animal's head protrudes beyond the outer boundaries of the motor vehicle, truck bed, or trailer.
- 3. Animals shall not be kept in or upon any vehicle without the ability to seek shelter from direct rays of the sun when temperatures exceed 95 degrees Fahrenheit, from wind, and from freezing precipitation.

C. CONFINEMENT DURING ESTRUS

While a female Companion Animal is in Estrus, that animal shall be isolated and protected from interaction with un-sterilized male Companion Animals of the same species unless breeding is intended consistent with the requirements of this Ordinance, and a Litter License or Hobby Breeder License has been purchased per Section 4.3.B.

D. OWNER'S LIABILITY

Nothing in this Section shall be construed as allowing any animal under physical restraint to commit an act deemed unlawful in this Ordinance. The Owner shall be liable for any such acts by an animal under physical restraint.

4.7 LIVESTOCK

A. RESIDENTIAL AREAS

In order to promote a rural character within the municipality, livestock may be kept on any residential-zoned lot, so long as the keeping of any such livestock is in conformance with all Ordinances of the Town of Edgewood and conforms to the following requirements:

- 1. All livestock shall be kept within a fenced enclosure at all times when the animals

- are not haltered or bridled and under the direct control of the owner or an authorized agent of the owner;
2. The livestock and lot use shall not constitute a nuisance with regard to noise, odor, vectors, dust, vibration, or other nuisance effects beyond the property lines of the parcel upon which the use is located;
 3. No commercial livestock operation shall be permitted; the animals shall be kept in such a manner that promotes the general welfare of the animals and is not detrimental to the public health, safety, or welfare; and
 4. The livestock and lot use complies with all other State, Federal, and local ordinances and regulations.

B. NON-RESIDENTIAL AREAS

Livestock may be kept on any lot zoned other than residential, so long as any such use is in conformance with all Ordinances of the Town of Edgewood.

C. RESTRICTIVE COVENANTS

The provisions of this Ordinance are held to be minimum requirements to carry out the purpose of this Ordinance and are not intended to interfere with any more restrictive laws, covenants, or ordinances. Whenever any provisions of this Ordinance are more or less restrictive than other laws, covenants, or ordinances then the most restrictive shall govern.

4.8 LICENSING, REGISTRATION & HANDLING REQUIREMENTS FOR POTENTIALLY DANGEROUS ANIMALS

- A. Nothing herein shall preclude a conviction for the violation of prohibited acts of a dangerous dog or potentially dangerous dog under state law.
- B. It is unlawful for an owner of a dangerous or potentially dangerous dog to:
 1. Keep the dog without a valid license and registration;
 2. Violate the registration and handling requirements for the dog;
 3. Fail to notify the animal control authority immediately upon:
 - i. an escape of the dog; or
 - ii. an attack by the dog upon a human being or a domestic animal.
 4. Fail to notify the animal control authority of the dog's death within five business days;
 5. Fail to notify the animal control authority within twenty-four hours if the dog has been sold or given away and provide the name, address, and telephone number of the new owner of the dog;
 6. Fail to surrender the dog to an animal control authority for safe confinement pending a determination of the case when there is reason to believe that the dog poses an imminent threat to public safety; or
 7. Fail to comply with special handling or care requirements for the dog that

the court has ordered.

- C. Whoever violates a provision of Subsection A of this section is guilty of a misdemeanor and shall be sentenced in accordance with the provisions of this Ordinance or State law and, for a second or subsequent offense, is guilty of a fourth degree felony and shall be sentenced in accordance with this Ordinance or State law.
- E. An owner of a dangerous or potentially dangerous dog that causes serious injury or death to a domestic animal, without provocation, is guilty of a fourth degree felony and shall be sentenced in accordance with this Ordinance or state law.
- F. An owner of a dangerous or potentially dangerous dog that causes serious injury to a human being, without provocation, is guilty of a third degree felony and shall be sentenced in accordance with this Ordinance or state law.
- G. An owner of a dangerous or potentially dangerous dog that causes the death of a human being, without provocation, is guilty of a third degree felony resulting in the death of a human being and shall be sentenced in accordance with the provisions of this Ordinance or state law.
- H. Prosecution pursuant to this section requires a showing that:
 - 1. An owner knew of the propensity of a dog to inflict serious injury; or
 - 2. The dog had previously been found by a court to be a dangerous or potentially dangerous dog.
- I. Potentially Dangerous Animals

Any owner of an animal determined to be potentially dangerous by a court of competent jurisdiction, shall be required to comply with registration and handling requirements for the animal, the owner of the animal must also obtain a potentially dangerous animal license within thirty (30) days of such determination or the animal must be humanely destroyed. The potentially dangerous animal license will be valid for one (1) year if the owner establishes the following:

- 1. The owner is able to keep the animal under control at all times; and
- 2. The animal has a current rabies vaccination; and
- 3. The owner has a proper enclosure for the animal; and
- 4. If the animal is a dog or cat, proof must be provided that the animal is sterilized; and the animal does not attack any person or other domestic animal at any time and without provocation; and
- 5. The animal has been implanted with a microchip containing owner information; and
- 6. That microchip information is also provided to the Animal Control Department; and

7. If the animal is a dog, the owner has entered the dog in a socialization and behavioral program approved or offered by the Animal Control Department; and
8. An owner of a potentially dangerous dog shall at all times have an insurance policy with coverage of a minimum of \$500,000 pertaining to injury to any person or property caused by the potentially dangerous dog.

J. Minimum Enclosure For Potentially Dangerous Animals

Minimum Enclosure for potentially dangerous animals means confinement indoors or secure confinement in a locked pen or structure measuring at least six (6) feet in width, twelve (12) feet in length, six (6) feet in height, with secure sides and capped, or an approved roof capable of securely containing the animal. Proper protection from the elements for the animal must be provided. The enclosure must be suitable to prevent the entry of persons, and designed to prevent the animal from escaping. If an Animal Control Officer deems the premises of a potentially dangerous animal as substandard or inadequate, the Animal Control Officer shall petition a court of competent jurisdiction to request specific improvements to the premises so that any potentially dangerous animal on the premises is securely contained.

K. Exceptions For Potentially Dangerous Animals

An animal shall not be declared as a potentially dangerous animal if;

1. The animal was used by a law enforcement official for legitimate law enforcement purposes;

1. Animal housing facilities shall be structurally sound and constructed of nontoxic materials. Interior floors shall be smooth, easily cleanable construction and impervious to water. The premises shall be kept clean,

- sanitary and in good repair in a manner which will protect animals from disease and injury.
2. Indoor and outdoor facilities must meet the definitions of Secure Enclosure; and
 3. Outdoor facilities must provide shade from the sun and shelter from rain or snow. Adequate drainage must be provided.
 4. Animals maintained in pens, cages or runs for periods exceeding twenty-four (24) hours shall be provided with adequate space to prevent overcrowding and to maintain normal exercise according to species. Temporary enclosures must be large enough for the animals to stand up, lie down and stretch out comfortably. Such cages holding cats must contain a litter box.
 5. Adequate weatherproof housing shall be provided with proper ventilation and temperature, and sufficient lighting and shade. Ventilation must be such that there are no strong odors.
 6. Provisions shall be made for the timely removal and proper disposal of animal and food waste, soiled bedding, dead animals and debris. Feces and urine shall be removed as necessary to prevent the animals from becoming soiled and to prevent odors but under no circumstances less than twice each day. Animals shall be removed from cages and protected from water and cleaning agents during cleaning. Adequate drainage shall be maintained. Disposal facilities shall be operated in a manner which will minimize vermin infestation, odors, and disease.
 7. Excessive and night-time noise shall be eliminated.
 8. Un-sterilized adult animals shall be segregated by sex, except where otherwise indicated for health, welfare or breeding purposes. Animals shall be housed in compatible groups.
 9. Vicious, diseased, injured, or dangerous or potentially dangerous animals shall be caged individually.
 10. Animals shall be provided with clean, fresh, sufficient and wholesome food and water. Food and water containers shall be kept clean.
 11. Sanitary, pest-free storage of food and bedding shall be provided. Each animal shall be observed daily by the person in charge. Programs for disease control and prevention shall be maintained. Sick, diseased, injured, lame, or blind animals shall be provided with appropriate veterinary care.

ARTICLE 5: PROHIBITED ACTIVITIES

5.1 DANGEROUS ANIMALS

No person shall keep or harbor a dangerous animal as defined in this Ordinance section 2.2. Such an animal shall be subject to immediate impoundment by the Animal Control Officer for euthanasia. At the discretion of the Animal Control Officer, the owner of the animal may arrange for euthanasia through a person or agency other than the Town, if proof of such euthanasia can be provided satisfactorily to the Animal Control Officer.

5.2 HYBRIDS

- A. No person shall own, harbor, keep, sell, offer for sale, or freely give any canine Hybrid, as defined in this Ordinance, within the municipal boundary of the Town.
- B. Any person who lawfully holds or keeps a canine hybrid as defined by this ordinance prior to the effective date of this ordinance may maintain that individual animal until its death subject to appropriate confinement requirements and under the following conditions:
 - 1. Submission of an application for a Wild Animal license within sixty (60) days of the effective date of this Ordinance and payment of the annual license fee; and
 - 2. Provision of adequate facilities to prevent the animal from escaping, injuring the public, or creating a public nuisance; and
 - 3. Compliance with all applicable requirements set forth in this Ordinance; and
 - 4. No additional wild or exotic animals may be added to the premises by acquisition or breeding as of the effective date of this Ordinance; and
 - 5. The containment facility used for housing a canine hybrid shall be open to annual inspection by and Animal Control Officer.
 - 6. Any canine hybrid owned, held or kept lawfully pursuant to Section 5.4.B shall not be replaced once sold, moved to a different location, or upon its death. All such canine hybrids must be sterilized.

5.3 CRUELTY TO ANIMALS

- A. It is unlawful for a person to negligently, recklessly, willfully, or maliciously kill, maim, disfigure, or torture; beat with a stick, chain, club or other object; mutilate, burn or scald with any substance; overwork, torment, harass; poison or otherwise cruelly harm any animal, except that reasonable force may be used to drive off vicious, dangerous, or trespassing animals. When a Law Enforcement Officer or Animal Control Officer has reasonable suspicion to believe that an animal has been cruelly treated, the Officer may seize and impound the animal for its protection pending appropriate court proceedings.
- B. It is unlawful for a person to abandon or fail to provide necessary sustenance to any animal under that person's custody or control, including nutritious food, potable water, and access to adequate shade and shelter.
- C. It is unlawful for any person to tease, harass, annoy, disturb, molest, threaten, or hit any animal which is on the property of its owner, or under the control of its owner.
- D. It is unlawful for any person to entice, or lure any animal out of an enclosure or off the property of its owner or caretaker or to seize any animal while the animal is on the property of its owner or caretaker, except a Law Enforcement Officer or Animal Control Officer, in the otherwise lawful performances of his/her duties.

- E. Notwithstanding the foregoing prohibition, it shall not be violation of this ordinance:
1. To use reasonable force to protect a person or animal from death or injury due to an attack by another trespassing animal or vermin;
 2. To eradicate or destroy vermin;
 3. For the owner of an animal to have the animal humanely destroyed;
 4. For Law Enforcement Officer or Veterinarian to humanely destroy an animal in an emergency situation when such destruction is reasonably required to protect public health and safety, to relieve the suffering of a mortally wounded or injured animal, and where destruction is allowed by state law. There shall be no liability of the Law Enforcement Officer or the Veterinarian for such acts;
 5. To engage in legal hunting practices as allowed by state wildlife authorities.
- F. Nothing herein shall be construed to preclude a conviction for cruelty or extreme cruelty under state law.

5.4 ILLEGAL POSSESSION

No person, other than an Animal Control Officer, shall retain possession of any animal which is not his/her property without the consent of the animal's owner, if there is evidence of ownership, or retain possession of any animal for more than twenty-four (24) hours without reporting the possession of such animal to an Animal Control Officer. Such a person shall provide his name, address, and telephone number if available, location of the animal, and a true and complete statement of the circumstances under which the animal came into his/her possession.

5.5 ABANDONMENT

No person shall intentionally abandon any animal in a location where any reasonable person would know the Animal has little chance of finding food, potable water or shelter. No person shall dump or release an animal anywhere in the Town or leave an animal behind when the person moves.

5.6 UNCARED FOR ANIMALS, PROTECTIVE CUSTODY

A. Protective Custody

Whenever the Animal Control Officer finds that an animal is or will be without proper care because the Owner is injured, ill, incarcerated, or absent, the Animal Control Officer may seize the animal using any legal means reasonably necessary under the circumstances for the sole purpose of placing it in protective custody for a period not to exceed fifteen (15) days. While the animal is in protective custody, and upon the advice of a licensed Veterinarian, the Animal Control Department may take any action necessary and/or legal to prevent undue pain and suffering to the animal, including the humane destruction of the animal.

B. Reclamation and Disposition Of Unclaimed Animals

Within the fifteen (15) day period, the Owner/Custodian may petition the Animal & Control Department to reclaim the animal by paying all related costs incurred by the Town and showing that the reason warranting protective custody has been remedied. Animals not reclaimed by the owner at the expiration of the period of protective custody shall be deemed to be the property of the Town following the mailing or other delivery of written notice to the Owner, and the Animal Control Department may place the animal for adoption or otherwise dispose of it in accordance with the provisions of this Ordinance.
